

All Trailer models are constructed of tubular steel main frames, cross members and side rails for extreme durability

- 3-way ramp gate folds flat on the floor to accommodate long items, pins upright for transport or sits in the down position for easy loading
- Split ramp gate for easier lifting
- Bolt-on replaceable fenders
- A-frame coupler and jack with foot plate
- LED lighting standard for added safety
- NATM Certified and 100% DOT compliant
- Three attractive color options and a 1-year paint warranty
- Multi-Seal Tire Sealant
